

# ELIAS SILVA

## PROFESSIONAL SUMMARY

Bringing more than 2 years of experience leading website design projects, including gathering user requirements, producing code, creating mockups and enhancing designs. Focused on creating clean, robust code with exceptional security. Achieves compatibility targets while meeting and exceeding customer demands.

## WORK HISTORY

**Front End Developer, 10/2023 - Current**  
Self-employer, Paysandú, Uruguay (Remote)

- Utilized HTML, CSS, and JavaScript to create visually appealing and responsive web pages that met client requirements.
- Coded using HTML, CSS, and JavaScript to develop features for both mobile and desktop platforms.
- Worked closely with UX/UI designers to translate their designs into functional web applications.
- Produced websites compatible with multiple browsers.
- Facilitated faster decision-making by creating interactive prototypes for stakeholder review, leading to more efficient project advancement.
- Implemented AJAX for dynamic content updates, enriching user experience by reducing page reloads and wait times.
- Developed user-friendly web forms with validation and error handling.
- Planned and engineered RESTful web services to manipulate dynamic datasets.
